

A MIDNIGHT MASS
FOR EPISCOPALIANS

One block from the Court Street line, in Brooklyn, stands the Protestant Episcopal Church of St. Paul, a veritable bit of old Paris, where, on Christmas Eve, a midnight mass will be celebrated in the very spirit of the same ceremony at the Church of the Madeleine.

The celebrant will be the Rev. Jerome Harris, assisted by the Rev. Lawrence Rose as deacon, Howard Irving Johnson as sub-deacon and Edwin G. Lynn as master of ceremonies. Preceding the mass the organist, Charles O. Banks, will give a recital of sixteenth century Christmas carols. At 11:30 the strains of "Adeste Fideles" will swell from the organ and the procession will start, led by the vergers, Mr. Chandler, followed by acolytes in red cassocks.

The Rev. Father A. C. Wilson, rector of St. Paul's, the wardens and officiating priests will wear Spanish vestments. Gounod's "Messe de Orpheonistes" will be given, with the Kyrie, in Greek. The principal vocalist will be Samuel Ljungqvist from the Grand Opera House of Stockholm. With the spell of the music upon one, with the haze of incense in the air, it will seem as if the worshippers were transported to the Old World.

A beautiful French side altar recently presented to St. Paul's adds to the French atmosphere of the edifice. Its high back of royal blue is decorated with golden fleurs de lis. Its carvings of St. Genevieve, St. Denis of Paris, St. Michael, the patron saint of Paris, and St. Joan d'Arc are examples of the finest miniature carvings in the United States.

To reach the church from Manhattan the subway may be taken to Borough Hall and the Court Street surface line to Carroll Street.

It is not alone the distinction of Ovington gifts, nor even their reasonable range of prices, that makes Ovington's the first choice of discriminating Christmas shoppers. But it very probably is because worth and prices are fairly blended at Ovington's.

official Laboratory
Model—the wonderful
instrument which cost
\$3,000,000

This Christmas you
may have the \$3,000,-
000 Edison Phono-
graph for only \$295.
Hear it today.

This Is Your Last Chance
To Get the
\$3,000,000 Phonograph
For Christmas

COME to THE Edison Shop today or early tomorrow and order your New Edison for Christmas. If we still have in stock the model that you select we shall see that it is in your home on Christmas Eve.

Because of the tremendous demand for The New Edison our supply of phonographs has become greatly depleted and we cannot promise immediate delivery on every style. You will still find a wide selection—if you come at once.

All New Edison Phonographs are now

This Christmas get the one phonograph you will enjoy all your life—The New Edison. Listen to its wonderful music, then decide which of the Period Models priced from \$167.50 to \$5,500 you desire to have. Special payments arranged at your request.

2-DAY SALE!

\$9 GUARANTEED
Solid 14k. Gold
Bracelet Watches

It has been our good fortune to obtain another lot of these dainty and fashionable ladies' wrist watches that sold so rapidly in the special sale we had two weeks ago. And although we were forced to pay considerably more for the new lot, we feel that we would prefer to sell them at the same price of \$9, although we make less profit on the transaction. This should certainly be an inducement to you to call here TODAY or TOMORROW and see what we are offering. The cases of these watches are SOLID 14K. GOLD THROUGH AND THROUGH. IF YOU CAN BUY A DUPLICATE FOR LESS THAN \$27.00, WE WILL REFUND THE MONEY. The popular well known expansion bracelets are also sold 14k. solid and so stamped, so that there can be no mistake. We will also give absolutely free to every customer a beautiful presentation case. Wear one of these lovely watches, and if within ten days you are not PERFECTLY SATISFIED you can return the watch and we will return the amount you paid for it. A few of our other watch bargains are mentioned here, all wonderful values at our low prices. We can probably show you more watches than any three jewelry stores in New York. And remember that there are forty years' experience and one million dollars' worth of our guarantee. No mail orders filled.

CHLOROX

White Russian Oil (Tasteless)

This wonderful new discovery for tartar removal and decay prevention, incorporated in no other tooth paste, has the following remarkable properties: It softens all impurities, accumulated or deposited on teeth, and keeps Chlorox fresh and cleansly effective to the last bit in the tube. Chlorox contains the most finely milled tooth brushing compound in existence, which scrubs out all impurities and keeps teeth perfectly clean.

Children stimulate saliva to flow more freely and thus aid Nature's own neutralizing agent, to eliminate acids, destroying mouth acids. Children do not wash in the tube! Never waste.
